I will rely on RGT's minutes of the meeting for a complete account of what happened. I had a list of about 25 items to bring up, and RGT had a few as well. We began at 7:30 PM on the dot and adjourned at about 10 P.M.

— Joe Paine gave a small jar containing about 25 seed-pods for bush clover; I saw them in blossom in his back yard this summer and asked him to save some seeds for me. I will plant them in autumn, of course.

— the 4th PHMC Check arrived and HAY gave it to me at the meeting — (#2221.01) — to be deposited on 9/7/84; \$2,000 will be paid to the First National (#0301000677) on 9/12/84 \$221.01 to the Liberty Bank (#0033109) on 9/12, which means that we still owe both banks ^{a total of} about \$4,000.00, which is not bad — about \$50.00 interest/month I believe.

— RGT, HAY and SRP will meet in 301 on 9/8/84 at 10 AM & do the tapes for 1982-1983 for the Committee to Restore Carbondale City Hall. 10, I believe it's at 9 AM that we three shall meet.

— "Big Rita" reported to Sue Stephens who reported that Aaron Moran is the vandal who walked in and destroyed 8 flower boxes in the downtown area on last Friday night. Aaron Moran's mother is Marion Healey (who was married to a Moran before she married Ricky Griffith, son of Emerson Griffith). Marion Healey works in the Daffodil. "Big Rita" saw the vandalism taking place and tried to stop it but Moran would not stop and became extremely vulgar in his language when "Big Rita" tried to stop him. I will speak to the juvenile officer about this matter.

Returned to Elkhart by about 11 P.M. very chilly. A frost was predicted for the night of 9-6-84; not long after my return here, I withdrew for the evening and read the packet of materials from FMW.

The long-awaited professional Certificate! It arrived today. This Certificate will be my meal ticket for at least six years at which time this Certificate will become a permanent Certificate (probably) or else it can be renewed again and again.

Jean Colville and I spent the day visiting junk & scrap yards looking for fluted cast iron lamp posts for Memorial Park, Carbondale. We went first to Pioneer ^{Junk &} Refuse in Carbondale & then Self Junk Yard in Perkiome & then Miller Brothers' Junk in Honesdale. On the way back to Carbondale from Honesdale I drove through Bethany and then into Forest City, where I went into the F.C. High School and picked up an application form for substitute teaching in that school. Very very fortuitously,
